3.1 and 3.2 Review   (CW)   8CP

Activity 1 - Draw and label:

○ 2 parallel lines

○ a transversal

○ a pair of supplementary angles

○ a pair of vertical angles

○ a pair of corresponding angles

○ a pair of alternate interior angles

○ a pair of "same side" interior angles – also called "adjacent" interior angles

Activity 2 - Draw a triangle with angles measuring $55°$ and $100°$. What is the measure of the third angle?
